(*)Chios Gum Mastic is the air-dried, resinous exudation from *P. Lentiscus L.* (Fam. Anacardiaceae), a shrub of small evergreen tree that is native to the Mediterranean region and principally cultivated on the Greek island of Chios. Gum Mastic is **100% natural** product of certified origin and does not contain any harmful substance or any additives, which could have damaging effects for the consumer.

Ilias Smyrnioudis
